Pulpit Supply Payment

Timing

Prompt payment for pulpit supply is always appreciated. Please pay on the day of the service and including remuneration and mileage reimbursement at the same time.

Minimum Remuneration

- \$100 for single morning, vesper, evening or midweek worship
- \$50 for each additional service (yoked churches divide total evenly)
- \$50 for moderating any session meeting
- \$50 for moderating any congregational meeting

The amount listed is the minimum remuneration. Where more than the presbytery minimum terms of call is paid to the pastor, the amount paid for pulpit supply should be adjusted accordingly.

Mileage

Payment to someone who travels more than 10 miles round-trip must include mileage reimbursement at the maximum rate allowed by the Internal Revenue Service. As of January 1, 2018, the rate is \$0.535 per mile.

Cancellation

The Committee on Ministry recognizes that when worship services are canceled on fairly short notice, those in pulpit supply positions may already have expended considerable time in sermon preparation. It is suggested that congregations be aware of the work already accomplished in these cases and be prepared to offer compensation. The COM further suggests that at least 50% of the normal payment be offered. No travel costs would be incurred.
